GENERIC RANGES
2024

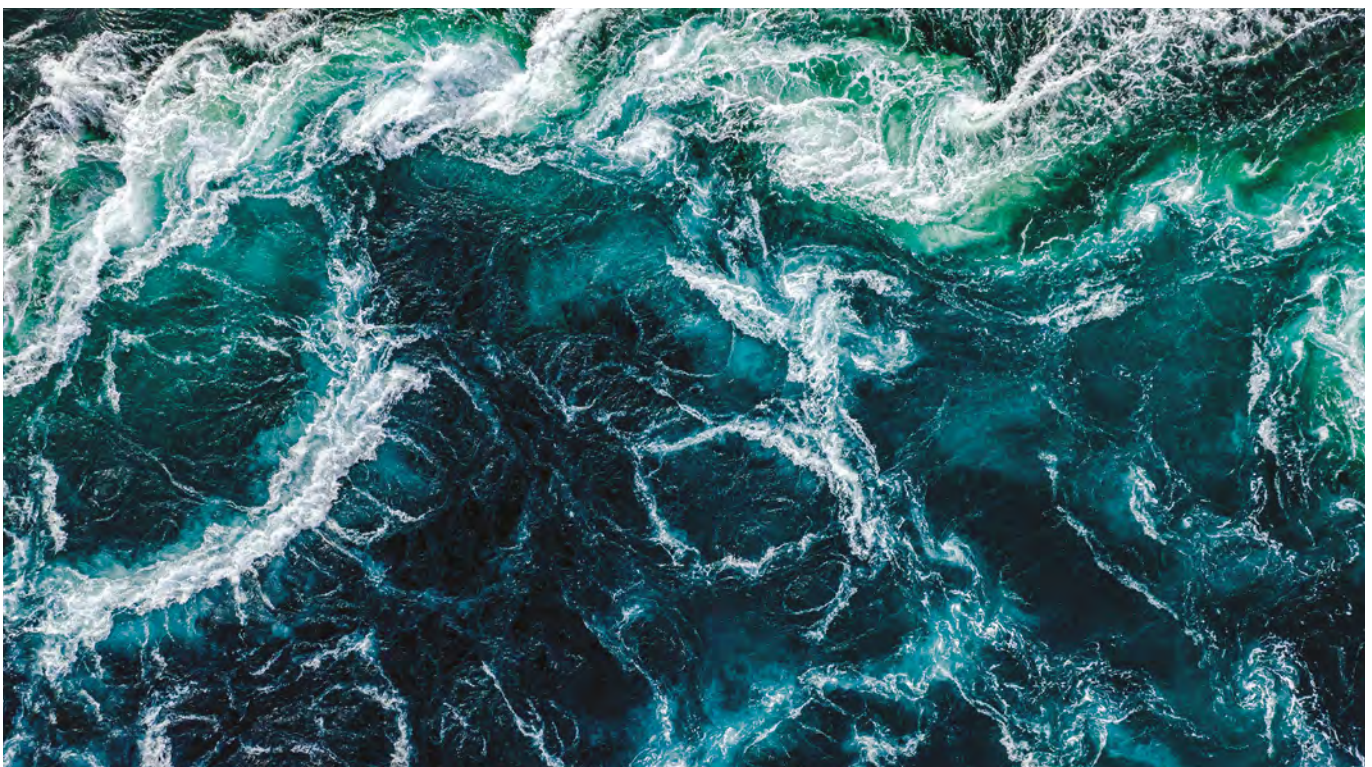

Founded by Mr. Antonio Borrás, **GR/FER/AS ANTONIO BORRAS S.L.** is a family company created in 1940, in Barcelona.

More than 75 years manufacturing faucets, always offering an accurate service and an unbeatable **VALUE FOR MONEY**. In addition, our production standards allow us to offer an extensive **GUARANTEE**. Borrás offers 15 Years on the body of the tap and 5 Years on the colour of the tap.

All this allows us to achieve recognition of the **BORRAS** brand in our market with international presence in more than 20 countries.

We manufacture a wide range of different models and designs, providing **PRACTICAL** and **COMFORTABLE** solutions without forgetting the **TRENDS** and **DESIGN** that allows our clients to create the **ENVIRONMENT** that they want in the **KITCHENS** and **BATHROOMS** of each home.

Every day we strive to achieve the satisfaction of our customers, as well as continuously improve in all areas, emphasizing **ENVIRONMENT SUSTAINABILITY** and the optimization of the **RESPONSIBLE WATER CONSUMPTION**.

A photograph of a woman with her hair in a bun, wearing a white towel, leaning over a bathtub. She is gently washing the face of another woman who is lying in the tub. The water is filled with white soap suds. The background shows a window with green plants outside. A grey banner with the text 'TRADITIONAL SERIES' is overlaid on the right side of the image.

A close-up photograph of a sleek, modern chrome faucet. The faucet has a high-arch spout that is curved and polished, with a small stream of water falling from its tip. The faucet's body is also chrome and features a single-lever handle. In the background, a window with white blinds is visible, and a clear glass filled with water sits on the sink counter to the right. The overall aesthetic is clean and minimalist.
